

Budapest III. ker.

78 800 000 HUF

Tágas, panorámás otthon a III. kerület kedvelt részén

Eladó egy 7. emeleti, teljes körűen és magas minőségben felújított panel lakás Budapest III. kerületében, kiváló infrastruktúrával és remek közlekedési kapcsolatokkal.

Az ingatlan 3 különnyíló szobával és ablakos konyhával bír. A korszerűsítés során prémium anyagok kerültek felhasználásra: az ablakok modern hőszigetelő nyílászárókra lettek cserélve, a burkolatok stílusosak és időtállóak, a konyha gépesített és ergonomikus kialakítású. A lakás klimatizált, így a forró nyári napokon is kellemes hőmérséklet biztosított.

Az épület rendezett, a lakóközösség barátságos, a környék pedig családok és fiatalok számára egyaránt ideális. Bevásárlási lehetőségek, iskolák, óvodák, orvosi rendelők, valamint parkok néhány perc sétával elérhetők.

Az ingatlan ára: 79.9 millió Ft. Egyedi elhelyezkedése, a magas szintű felújítás és a panorámás kilátás kiemeli a kínálati palettából. Amennyiben egy rövid időn belül költözhető, igényes otthont keres, ez a lakás remek választás!

Várom megtisztelő hívását.
